

Immediate Press Release from

Update from MCR Health

[Bradenton, Florida – August 25, 2020] MCR Health continues to offer COVID-19 testing at all locations in Manatee, Sarasota, DeSoto, and Hardee counties.

To date, MCR Health has administered more than 23,000 COVID-19 tests in the community. MCR will continue administering COVID-19 testing at all of its locations, but as of 8/26, drive-thru testing will no longer be available at the following locations:

- East Manatee Health and Wellness Center
1312 Manatee Ave E, Bradenton
- Southeast Family Healthcare Center
919 53rd Ave E, Bradenton

MCR Health is now offering COVID-19 testing for businesses. Companies interested in offering testing to their employees can contact MCR Health's Sr. Director of Operations, Jenita Taylor, at (941) 776- 4000 ext. 331 or jtaylor@mcr.health.

For media inquiries, please contact Scott Works, Sr. Director, Marketing / Communications / Patient Experience: (941) 713-0787 or sworks@mcr.health
